Will the assessment body be responsible for RPL assessment?

No RPL envisaged for Certified Training Assessor.

Describe the overall assessment strategy and specific arrangements which have been put in place to ensure that assessment is always valid, consistent and fair and show that these are in line with the requirements of

the NSQF:

Assessment is done through third parties who are affiliated to SSSDC as Assessment Body. Assessors are trained & certified by SSSDC through Train the Trainers (T3) program. The assessment involves two processes. The first process is gathering the evidence of the competency of individuals. The second part of the assessment process is the judgement as to whether a person is competent or not. The assessment plan contains the following information:

- What will be assessed, i.e. the competency based on each NOS
- How assessment will occur i.e. methods of assessment
- When the assessment will occur
- Where the assessment will take place i.e. context of the assessment (workplace/simulation)
- The criteria for decision making i.e. those aspects that will guide judgements and

Where appropriate, any supplementary criteria used to make a judgement on the level of performance. The assessment is conducted through theory, viva voce and practical.

Please attach any documents giving further information about assessment and/or RPL.

Guidelines for Assessment

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down proportion of marks for Theory and Skills Practical for each PC
2. The assessment for the theory part will be based on knowledge bank of questions created by the SSC
3. Individual assessment agencies will create unique question papers for theory part for each candidate at each examination/training center (as per assessment criteria below)
4. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/training center based on this criteria
5. To pass the Qualification Pack , every trainee should score a minimum of 70% in every NOS
6. In case of successfully passing only certain number of NOS's, the trainee is eligible to take subsequent assessment on the balance NOS's to pass the Qualification Pack

SECTION 2

EVIDENCE OF NEED

What evidence is there that the qualification is needed?

An extensive occupational and functional analysis and Labour Market Information survey for PSS was carried out. A Certified Training Assessor is an executive, who assesses the standard of training of security personnel both fresh entrants and serving in PSS. The demand for Certified Training Assessor is increasing as more and more emphasis is being laid on skilling and training in the PSS and other skilling and livelihood missions. The PSS is also growing 20% annually.

What is the estimated uptake of this qualification and what is the basis of this estimate?

Annual intake of Certified Training Assessor in the PSS is about 200.

What steps were taken to ensure that the qualification(s) does/do not duplicate already existing or planned qualifications in the NSQF?

QPs for Job Roles of various related SSC's were studied to ensure that there is no duplicity

What arrangements are in place to monitor and review the qualification(s)? What data will be used and at what point will the qualification(s) be revised or updated?

Each QP and NOS will undergo review after two years. Comments from the environment will be asked for, which will be deliberated upon by a NOS sub-committee and incorporated in QP and NOS, if deemed fit.

SECTION 3

SUMMARY EVIDENCE OF LEVEL

Summary of Direct Evidence:

Justify the NSQF level allocated to the QP by building upon the five descriptors of NSQF. Explain the reasons for allocating the level to the QP.

Generic NOS is/are linked to the overall authority attached to the job role.

Certified Training Assessor - QP SSS/Q0801					
Process required	Professional Knowledge	Professional Skills	Core Skills	Responsibility	Level
A Certified Training Assessor is responsible for the assessment of training of unarmed security guard, armed security guard and security supervisor in accordance with applicable legislations, regulations, National Occupational Standards and the PSS-specific requirements. Considering the outcomes the job roles is pegged at level 6.	A Certified Training Assessor besides being knowledgeable, should be objective, balanced, innovative and good at communication. He/she should be able critically examine the processes and methods applied by training providers. Considering the type of knowledge the job holder is placed at level 6.	A Certified Training Assessor would be required to assess the standard of training of trainees within the scope of a certified syllabus and courseware. He/she should be able to assess trainees objectively on theory and practical aspects. Hence, the job holder can be place at level 6.	A Certified Training Assessor should have requisite aptitude for training and teaching, backed by adequate subject matter expertise and clarity regarding the documentation required. A CTA should be familiar with the syllabus, courseware, methods, assessment processes and documentation for structured training in the PSS. Considering these outcomes the job holder can be place at level 6.	A Certified Training Assessor is overall responsible for preparation of assessment tools, plan and conduct of assessment, compilation of results and allied documentation. Hence the job role has been placed at level 6.	6
