

Career Progression – Spinning Blow room

The career progression would be as follows:

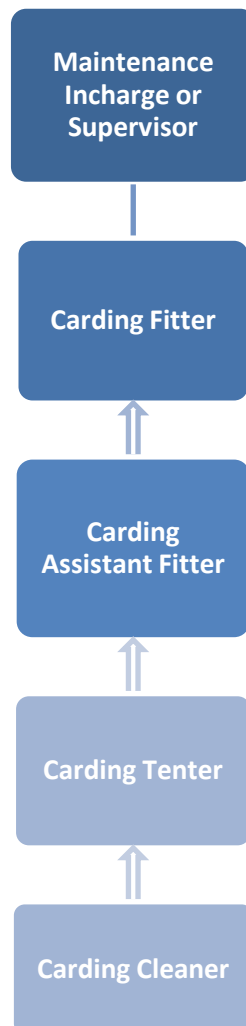

1. Blowroom Cleaner
2. Blowroom Tenter
3. Blowroom Fitter
4. Maintenance Incharge or Supervisor

Career Progression – Spinning Carding

The career progression would be as follows:

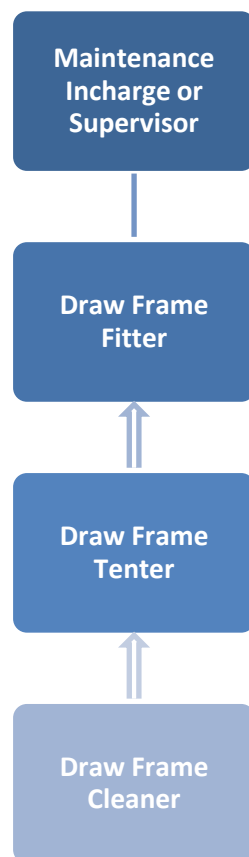

1. Carding Cleaner
2. Carding Tenter
3. Carding Assistant Fitter
4. Carding Fitter
5. Maintenance Incharge or Supervisor

Career Progression – Spinning Draw Frame

The career progression would be as follows:

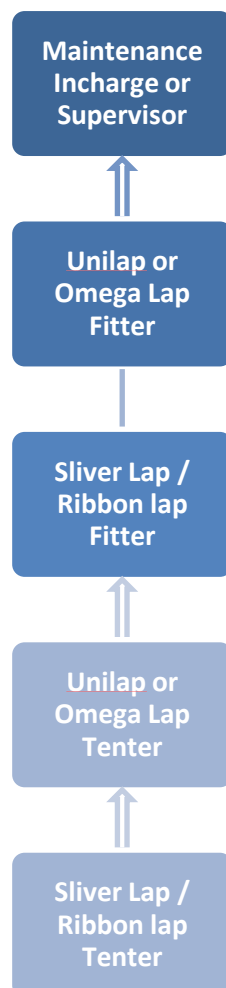

1. Draw Frame Cleaner
2. Draw Frame Tenter
3. Draw Frame Fitter
4. Maintenance Incharge or Supervisor

Career Progression – Spinning Combing Preparatory

The career progression would be as follows:

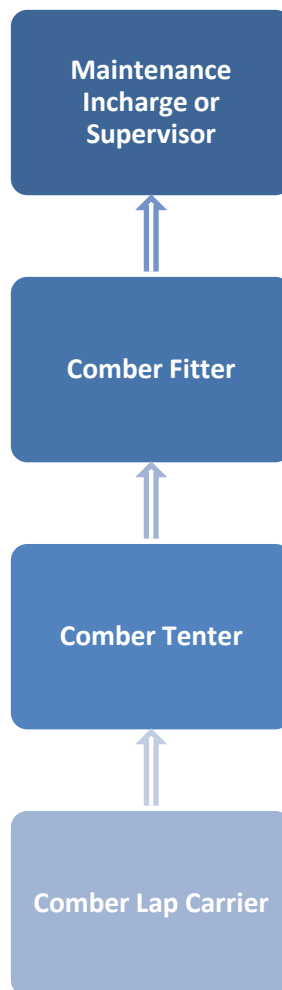

1. Sliver Lap & ribbon lap Tenter
2. Uni lap or Omega Lap Tenter
3. Sliver Lap & ribbon lap Fitter
4. Omega Lap Fitter
5. Maintenance Incharge or Supervisor

Career Progression – Spinning Comber

The career progression would be as follows:

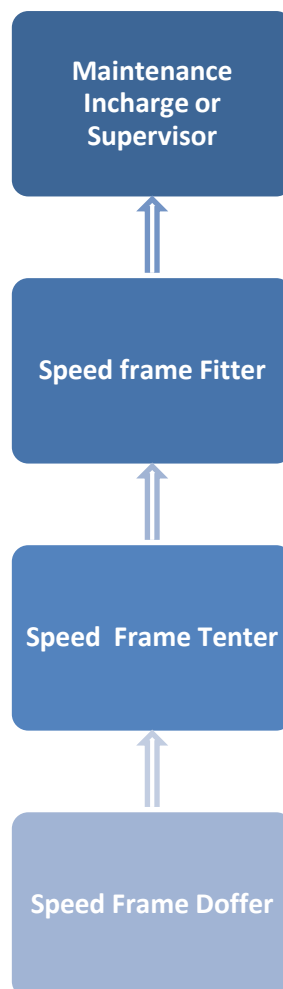

1. Comber Lap carrier
2. Comber Tenter
3. Comber Fitter
4. Maintenance Incharge or Supervisor

Career Progression – Spinning Speed Frame

The career progression would be as follows:

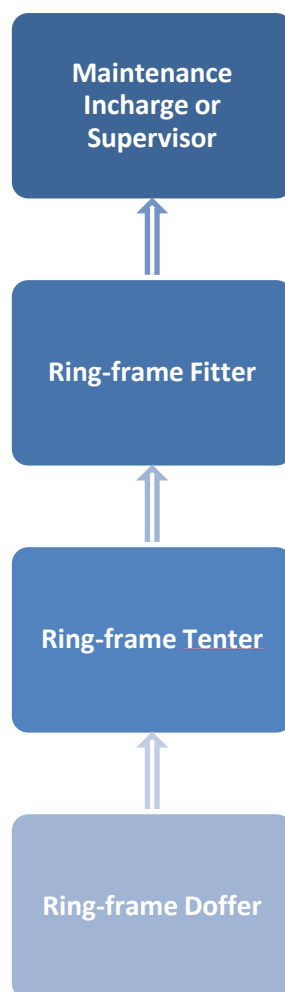

1. Speed Frame Doffer
2. Speed Frame Tenter
3. Speed Frame Fitter
4. Maintenance In-charge or Supervisor

Career Progression – Spinning Ring-Frame

The career progression would be as follows:

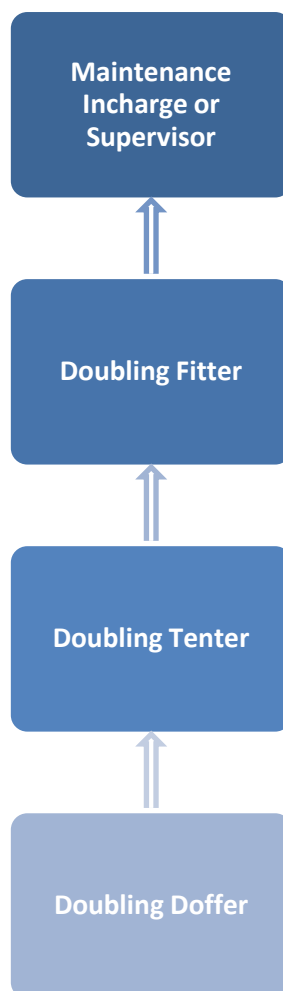

1. Ring-frame Doffer
2. Ring-frame Tenter
3. Ring-frame Fitter
4. Maintenance Incharge or Supervisor

Career Progression – Spinning Doubling

The career progression would be as follows:

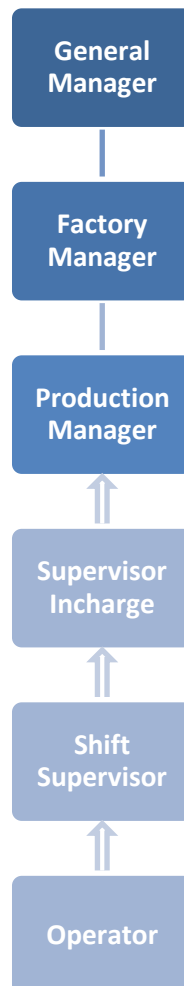

1. Doubling Doffer
2. Doubling Tenter
3. Doubling Fitter
4. Maintenance Incharge or Supervisor

Career Progression – Spinning Production

The career progression would be as follows:

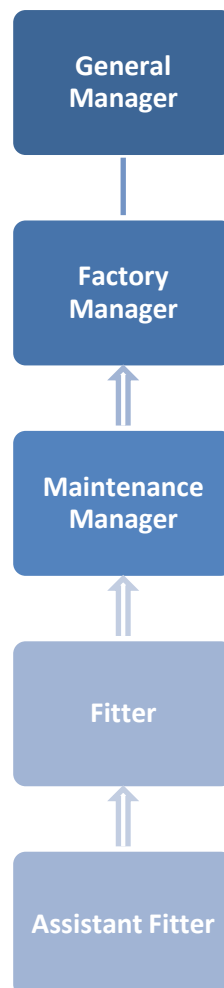

1. Operator
2. Shift Supervisor
3. Supervisor Incharge
4. Production Manager
5. Factory Manager
6. General Manager

Career Progression – Spinning Maintenance

The career progression would be as follows:

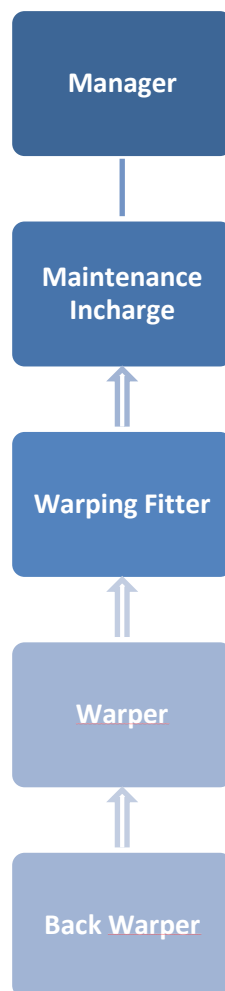

1. Assistant Fitter
2. Fitter
3. Maintenance Manager
4. Factory Manager
5. General Manager

Career Progression – Weaving Preparatory Warping

The career progression would be as follows:

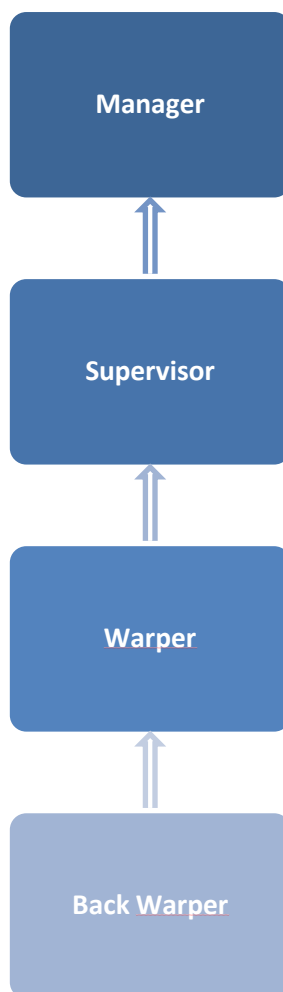

1. Back Warper
2. Warper
3. Warping Fitter
4. Maintenance Incharge
5. Manager

Career Progression – Weaving Preparatory Warping

The career progression would be as follows:

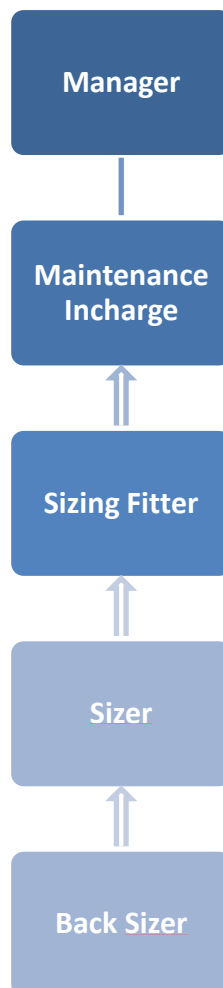

1. Back Warper
2. Warper
3. Supervisor
4. Manager

Career Progression – Weaving Preparatory Sizing

The career progression would be as follows:

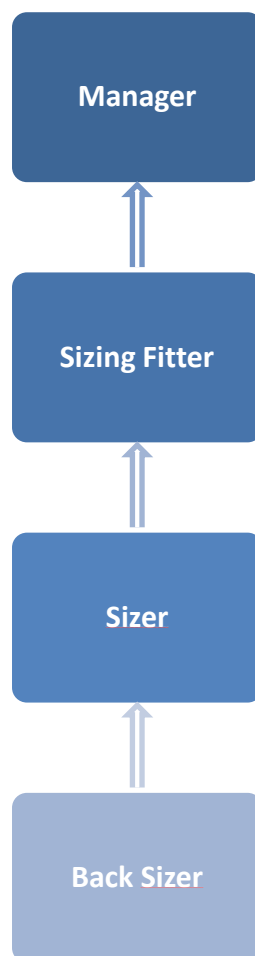

1. Back Sizer
2. Sizer
3. Sizing Fitter
4. Maintenance Incharge
5. Manager

Career Progression – Weaving Preparatory Sizing

The career progression would be as follows:

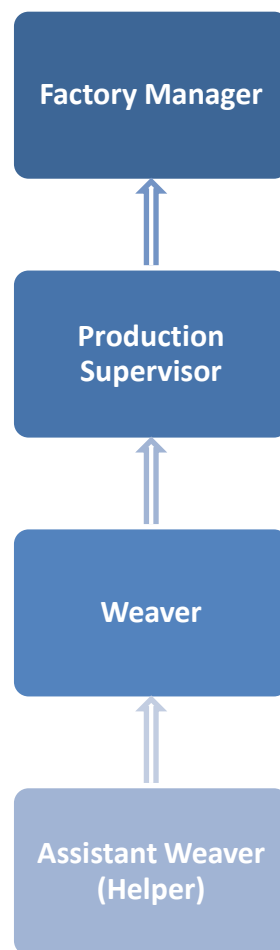

1. Back Sizer
2. Sizer
3. Supervisor
4. Manager

Career Progression – Weaving Production

The career progression would be as follows:

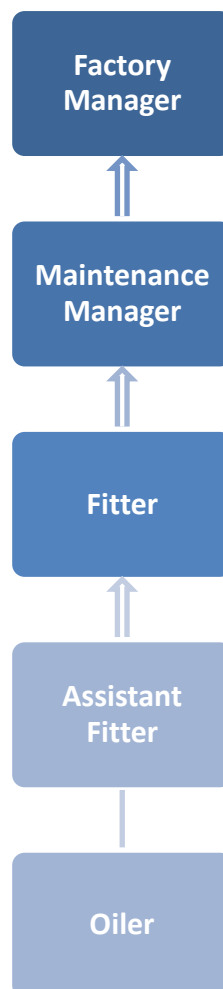

1. Assistant Weaver (Helper)
2. Weaver
3. Production Supervisor
4. Factory Manager

Career Progression – Weaving Maintenance

The career progression would be as follows:

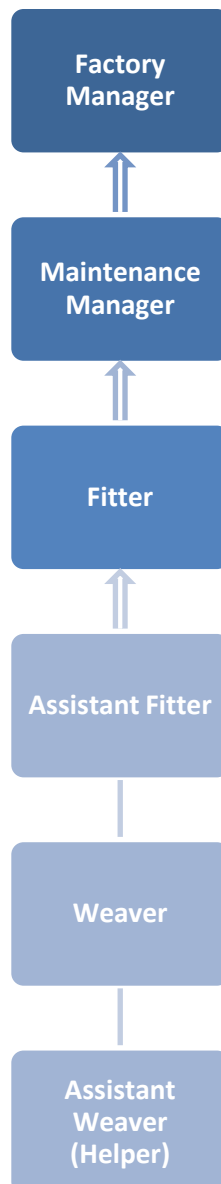

1. Oiler
2. Assistant Fitter
3. Fitter
4. Maintenance Manager
5. Factory Manager

Career Progression – Weaving Maintenance

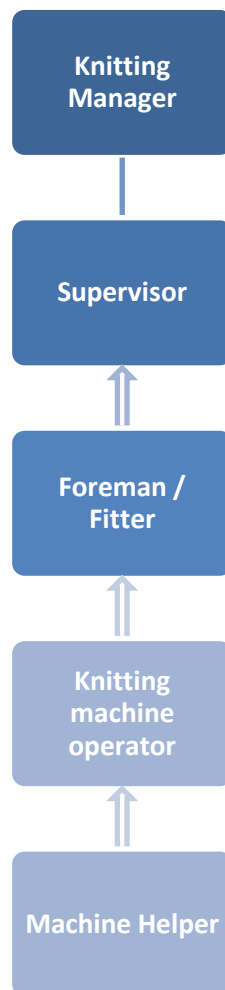

The career progression would be as follows:

1. Assistant Weaving (Helper)
2. Weaver
3. Assistant Fitter
4. Fitter
5. Maintenance Manager
6. Factory Manager

Career Progression – Knitting

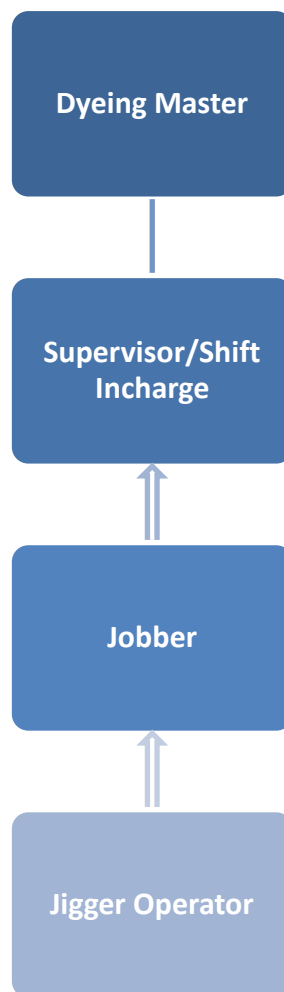

1. Knitting machine Helper
2. Knitting Operator
3. Foreman / Fitter
4. Supervisor
5. Knitting Manager

Career Progression – Processing

The career progression would be as follows:

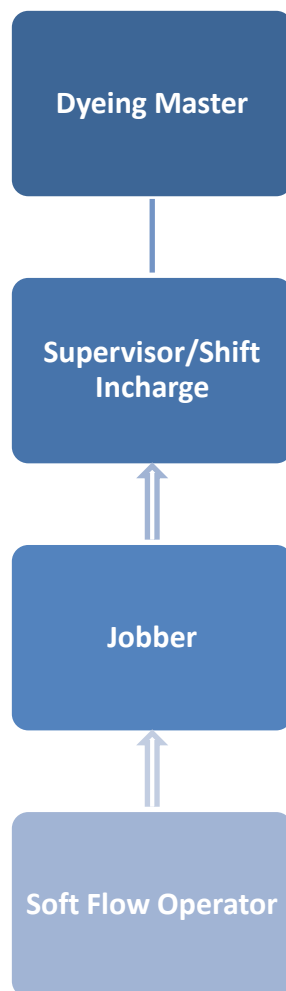

1. Jigger Operator
2. Jobber
3. Supervisor/ Shift In-charge
4. Dyeing Master

Career Progression – Processing

The career progression would be as follows:

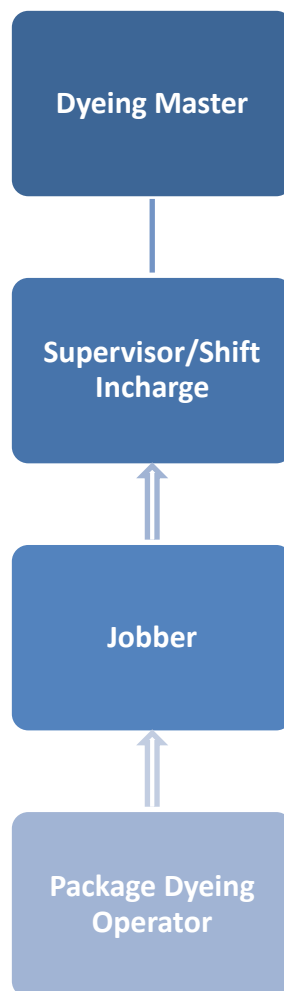

1. Soft Flow Operator
2. Jobber
3. Supervisor/ Shift In-charge
4. Dyeing Master

Career Progression – Processing

The career progression would be as follows:

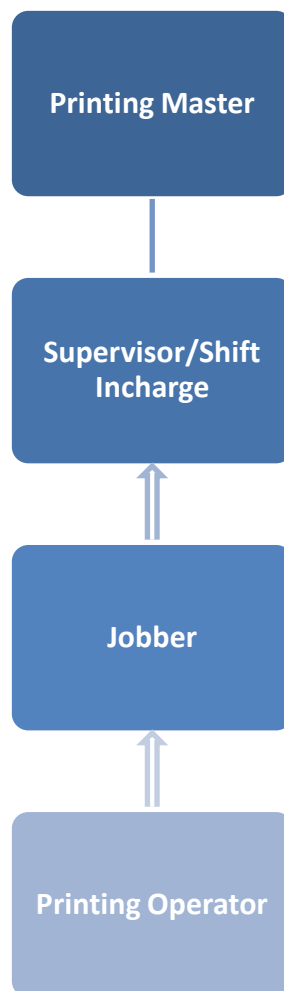

1. Package Dyeing Operator
2. Jobber
3. Supervisor/ Shift In-charge
4. Dyeing Master

Career Progression – Processing

The career progression would be as follows:

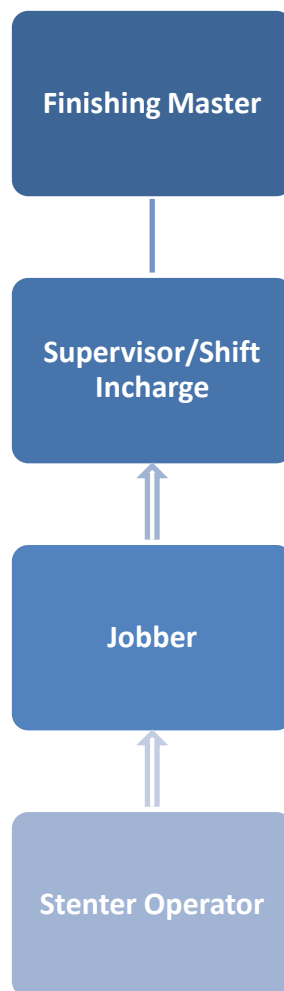

1. Printing Operator
2. Jobber
3. Supervisor/ Shift In-charge
4. Printing Master

Career Progression – Processing

The career progression would be as follows:

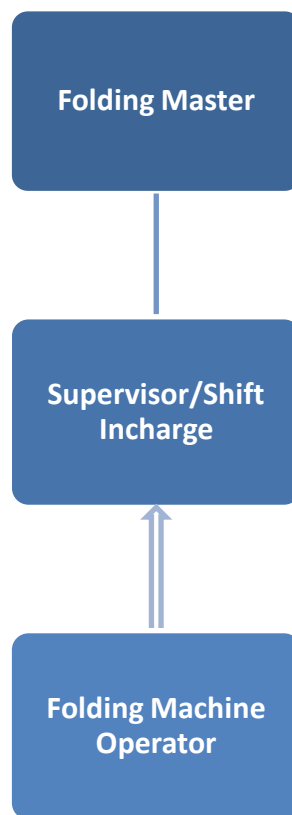

1. Stenter Operator
2. Jobber
3. Supervisor/ Shift In-charge
4. Finishing Master

Career Progression – Processing

The career progression would be as follows:

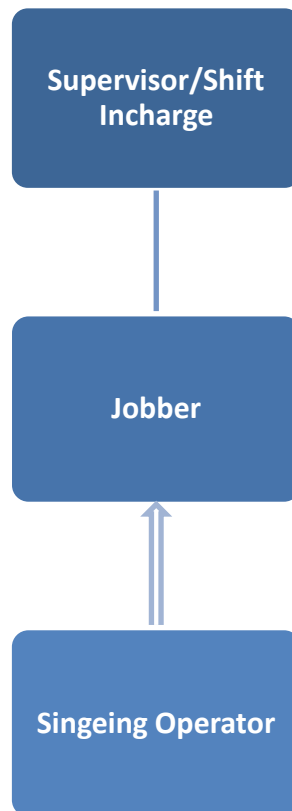

1. Folding Machine Operator
2. Supervisor/ Shift In-charge
3. Folding Master

Career Progression – Processing

The career progression would be as follows:

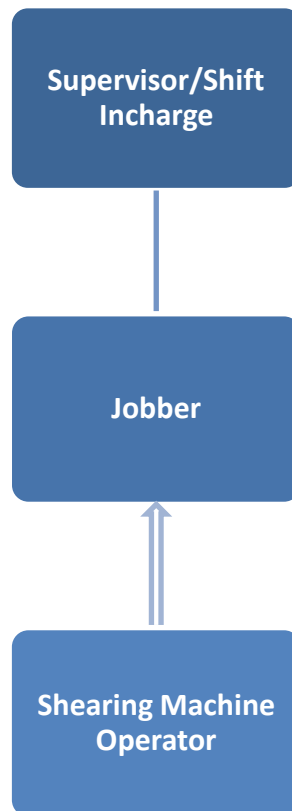

1. Singeing / Desizing Operator
2. Jobber
3. Supervisor / Shift In-charge

Career Progression – Processing

The career progression would be as follows:

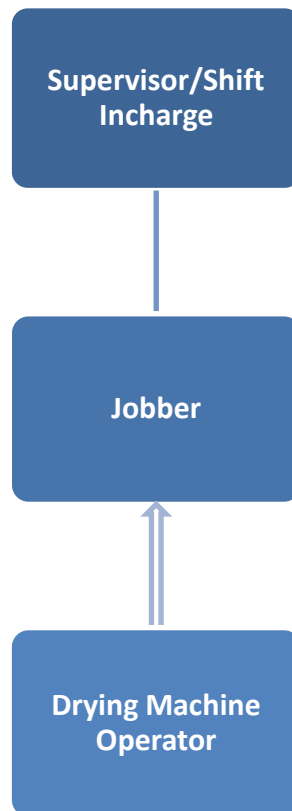

1. Shearing Machine Operator
2. Jobber
3. Supervisor / Shift In-charge

Career Progression – Processing

The career progression would be as follows:

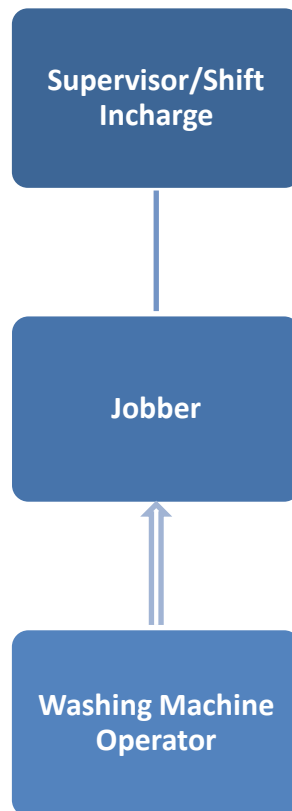

1. Drying Machine Operator
2. Jobber
3. Supervisor / Shift In-charge

Career Progression – Processing

The career progression would be as follows:

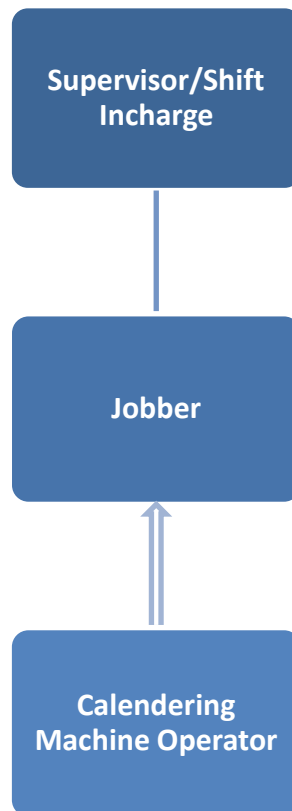

1. Washing Machine Operator
2. Jobber
3. Supervisor / Shift In-charge

Career Progression – Processing

The career progression would be as follows:

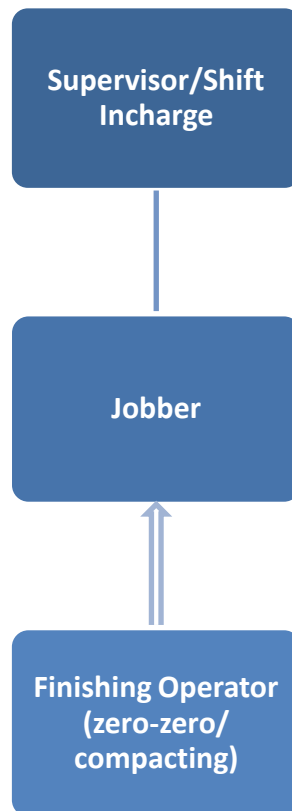

1. Calendering Machine Operator
2. Jobber
3. Supervisor / Shift In-charge

Career Progression – Processing

The career progression would be as follows:

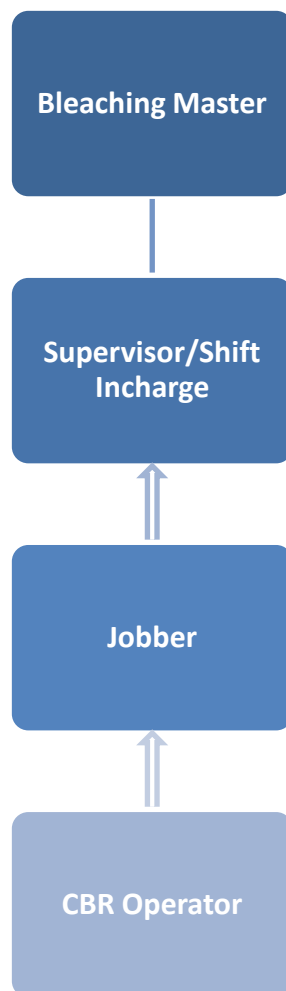

1. Finishing Operator (zero-zero/compacting)
2. Jobber
3. Supervisor / Shift In-charge

Career Progression – Processing

The career progression would be as follows:

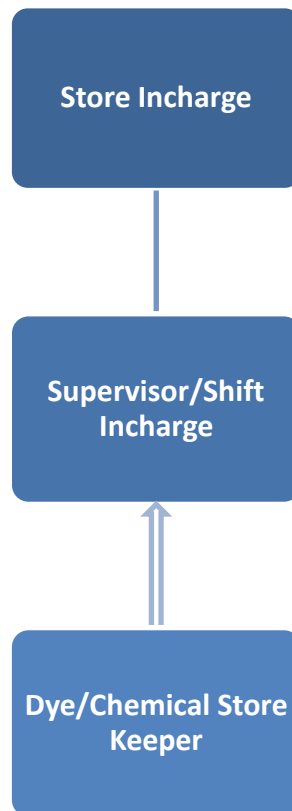

1. CBR Operator
2. Jobber
3. Supervisor/ Shift In-charge
4. Bleaching Master

Career Progression – Processing

The career progression would be as follows:

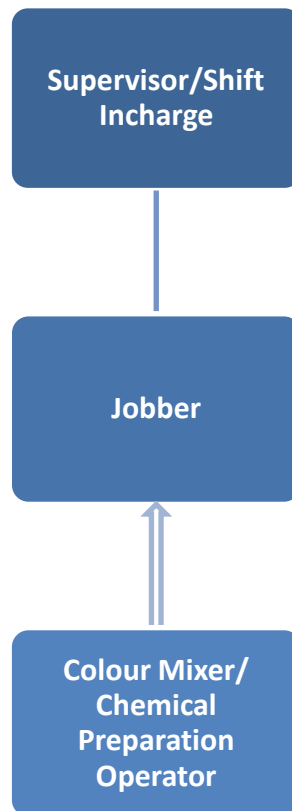

1. Dye/ Chemical Store Keeper
2. Supervisor / Shift In-charge
3. Store Incharge

Career Progression – Processing

The career progression would be as follows:

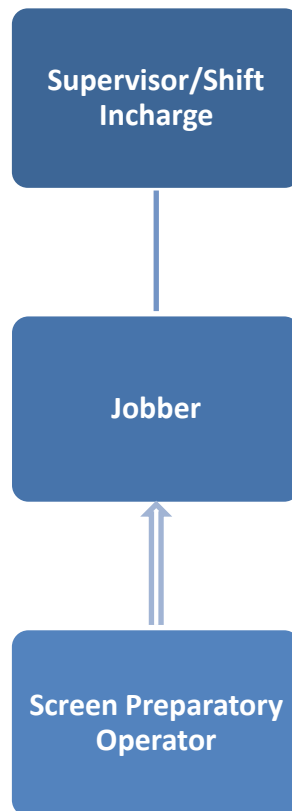

1. Colour Mixer/ Chemical Preparation Operator
2. Jobber
3. Supervisor / Shift In-charge

Career Progression – Processing

The career progression would be as follows:

1. Screen preparatory Operator
2. Jobber
3. Supervisor / Shift In-charge

Career Progression – Processing

The career progression would be as follows:

1. Fitter
2. Foreman
3. Supervisor/ Shift In-charge
4. Maintenance In-charge
