

EXTRACT FROM MINUTES OF THE MEETING OF ASDC GOVERNING COUNCIL JAN 29TH 2013

3.1 NOS DEVELOPMENT PROJECT

Members referred to NOS document which had been circulated along with Agenda points. Chairman Steering Committee Mr RK Sharma briefed members on the progress of this project. Members noted that as per NSDC guidelines ASDC had floated as RFP in Nov 12 which received very good response from a total of eight consultancy . Members further noted that Steering Committee evaluated these bids through a series of meetings during Dec 12 through Jan 13. After thorough diligence the committee finalized three organization viz Accenture, Ernst & Young and IMaCS to carry out NOS development work in Sales/Service, Manufacturing /R&D and Support domains respectively. Members further noted that commercial negotiations with the vendors were carried out jointly with NSDC in order to get the best possible terms.

GC noted and approved the whole process and expressed confidence that ASDC will get a good quality output from this exercise of national important and that the standards developed would play an important role in helping with the skilling process.
